This is a full time 8-week paid internship with a potential for further career growth in Telesign.

Application Deadline: 31st May 2023.

Internship Start Date: 10th July 2023.

Key Responsibilities:

- Work with data analysts and data scientists in order to collect, store, clean and filter data in accordance with the business's data needs and priorities.
- Identify, analyze, develop, and interpret insights, trends and patterns in complex data sets that will support the data (science) decision making process.
- Work on data pipelines optimization and automation.
- Perform QA activities (write and execute test cases (manual or automated) and analyze results, report bugs and errors, document issues…).

Essential requirements:

- Basic experience working with data management, data mining and data visualization tools, starting from basic ones such as MS Excel to SQL, R, Rapid Miner, Weka, KNIME, SPSS, SAS, Tableau, or related data tools.
- Basic experience in (statistical) tools and programming languages, such as R, Python, MATLAB, or related data tools.
- Basic understanding of applied statistics and probability.
- Strong data analytics and visualization skills, high ability to learn new skills.
- Attention to detail and ability to consider tasks from multiple angles to produce robust analyses.
- High cooperative skills and ability to work in a team environment/team player.
- Strong communication skills, both verbal and written, in English and Serbian.

Education Requirements:

Bachelor's degree in Mathematics, Applied Mathematics, Statistics, Data Science, Computer Science, Engineering, Economics or a related technical or quantitative discipline/field.

We are offering

- Paid internship
- Organized mentorship
- Organized onboarding
- Soft skills training
- Challenging but also a friendly working environment

About Telesign

Telesign connects and protects online experiences with sophisticated customer identity and engagement solutions. Through APIs that deliver user verification, data insights, and communications we solve today's unique customer challenges by bridging businesses to the complex world of global telecommunications.

Telesign is proud to be an equal opportunity employer. We believe our differences help us create a better workplace, a better product, and a better community. We do not discriminate on the basis of race, color, ancestry, religion, national origin, marital status, pregnancy, sex, sexual orientation, gender, gender identity or expression, age, genetic information, disability, military or veteran status, or any other basis protected by federal, state or local law, ordinance or regulation.

Telesign is an Affirmative Action Employer and as part of the commitment to AAP, it will seek to ensure affirmative action to provide equality of opportunity in all aspects of employment, and that all personnel activities, such as the recruitment selection, training, compensation, benefits, discipline, promotion, transfer, layoff and termination processes remain free of illegal discrimination and harassment based on protected characteristics.
